INSTRUCTIONS

This survey is designed to help the U.S. Fish and Wildlife Service and state conservation agencies improve wildlife-related recreation in the U.S. and protect the places where wild animals, birds, and fish live. You will be asked about any hunting activities you may have participated in between taking our last survey and December 31, 2022. Even if you have not done any recreational activities during this time period, we want to hear from you!

This survey is funded by the Association of Fish & Wildlife Agencies.

- Please use a blue or black pen to complete this form.
- Mark ☒ to indicate your answer.
- If you want to change your answer, darken the box ☒ on the wrong answer and mark your new answer.

When reporting your expenses, please...

- Round to the nearest whole dollar. Do not include cents.
- Write each number clearly in the center of the boxes.
- Make sure your numbers are in the correct location.

Here's an example: If you spent \$325.50 on airfare, then you would round it to \$326 and fill in the boxes as shown below:

Correct: \$, 3 2 6

Incorrect: \$ 3 2 5 , 5 0

- If you don't know the exact amount spent, your best estimate is fine.

Before continuing, please know that your participation is voluntary. You may choose to skip any question or end the survey at any point. We will take all possible steps to protect your privacy and we can use your answers only for statistical research. This means that no individual will be identified in any of the analyses or reports from this study. We anticipate this survey will take about 12 minutes to complete.
